

WOCGN Pricing

Creating Pathways for Women of Colour employees to thrive, lead and belong

1

Pathways (Corporate programme) from £2,769 p.p

A Bespoke Leadership Journey for Women of Colour and Inclusive Culture Change

Pathways is WOCGN's flagship leadership programme — a **9-month, hybrid journey** designed with your organisation to support the progression of Women of Colour and embed meaningful inclusion.

Combining lived experience with evidence-based design, Pathways uses our proven sponsorship model to close opportunity gaps through mentoring, advocacy, and practical development.

Led by senior Women of Colour, this is more than a development programme — it's a catalyst for lasting culture change.

Custom packages and scaled delivery available on request

2

Open Pathways

from £1,350 p.p

For Individual Professionals and Smaller Organisations Investing in WOC Talent

Open Pathways offers a powerful, cross-industry development journey for Women of Colour ready to invest in their growth — or for smaller organisations seeking to support individual employees or cohorts of up to 10 participants.

Participants join a supportive community focused on self-discovery, visibility, and career empowerment.

Includes:

- 6-month live group online programme
- 1:1 mentoring with a professional woman of colour mentor
- Peer learning + accountability
- Professional development workshops
- 1:1 coaching touchpoints
- Supportive online community
